Household Evacuation Guide

Know your zone. Pack your bag. Be ready.

Wildfire • Flooding • Landslide • Power Outage

Know the notice

You may receive one of four notices. Each means something different.

EVACUATION ALERT

Be ready to leave on short notice.

Pack your go-bag and plan where to go.

EVACUATION ORDER

You are at risk. Leave immediately.

Go now. Take the designated evacuation route.

SHELTER IN PLACE

Stay indoors. Safer than evacuation.

Close windows and doors. Keep monitoring alerts.

RESCIND

The risk has passed. You can go home.

Return only when officials say so.

Know your zone

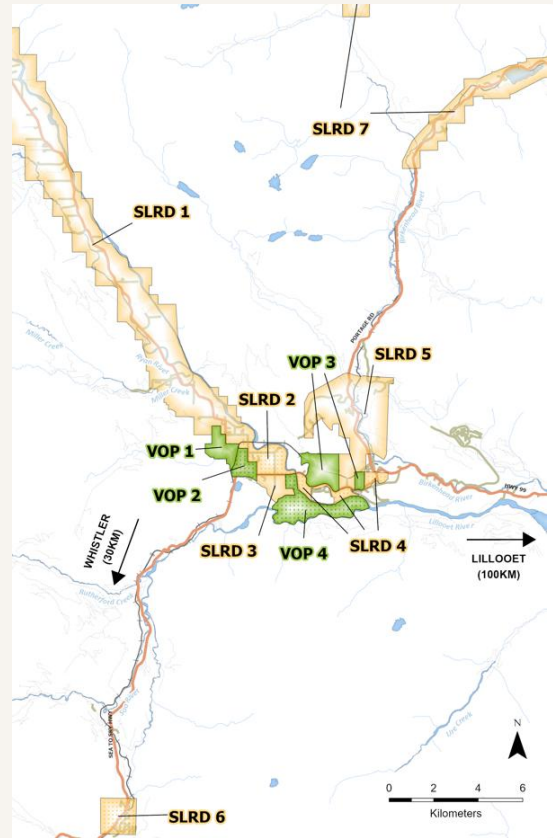

Evacuation notices may be issued by zone. Locate your home on the map and note your zone so you can quickly tell when a notice applies to you.

EVACUATION ROUTES

Primary: Hwy 99 South (Sea to Sky Hwy)

Secondary: Hwy 99 North (The Duffey Rd)

Route availability changes with every incident. Follow official direction, never self-evacuate onto an alternate route, and never assume a road is open.

During an evacuation order

- Leave right away. Do not go back.
- Take your emergency kit, medications and pets.
- Do not tow trailers or boats.
- Check on neighbours who may need help.
- Register with Emergency Support Services.
